

Barwon Equine Showjumping Tournament (BEST)

Leaderboard after Round 2

April 2016

1. A & B Grade Only - If there are insufficient numbers in A & B grades that have competed in at least 3 rounds of the BEST to fill all 6 series placings, the remaining series placings will be awarded at the discretion of the BEST committee.
2. E to A Grade Only – Combinations who have won a Series Championship are not eligible to win a Series Championship again at the same grade in subsequent years, unless it is the highest level that can be achieved in the Series.

Combinations may still compete at the same grade at individual competitions and be eligible to win sashes/prizes etc, but will not accrue any Series Points.

3. If combinations grade up at any time during the series, they may take their points earned from any one of the previous competitions in the series with them. Combinations competing at all four competitions will drop one overall score from the lower grade regardless of it being their worst score or not.
