## DC's Report

Welcome to the June Rally.

### Lunch Orders

Pre order and pre pay for lunch is available again. Write your order on a paper bag, pre pay your money and then your lunch will magically appear for you!

### Parents Meeting

Parents meeting at rally lesson 1 please all attend followed by a parent info session (Q and A) if wanted.

### Presentation Award

We will be trialling a new award for presentation from July so June rally is a practice for that. Can all groups line up around the clubrooms please at 9:30 ready for checking - higher groups nearest the floats to youngest group.

### Groups

We are also having a mix up with groups this rally in preparation for the new financial year so please bear with us.

See you at the rally on Sunday  
Your DC, Claire

## Coaching from the sidelines:

This is NOT acceptable at a rally. Parents are asked to please respect each instructor and let them do their job. It is extremely off-putting for the instructor and very distracting for the children.

If you feel that you just can't help yourself and hold back that urge, perhaps go up to the clubrooms and have a coffee. The instructors may "ask" you to take a coffee break

## Sand Arena

All groups using the sand arena will be required to clean up their own poo – Group leaders can you please organize the contributors to the poo to clean up after themselves – either during the lesson or immediately after it.

# Book of the Month

## Starting out in eventing: an introduction to having fun cross-country

ISBN: 9783861279570

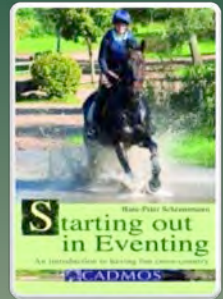

AUTHOR: HANS-PETER SCHEUNEMANN

PUBLISHER: CADMOS

FORMAT: PAPERBACK

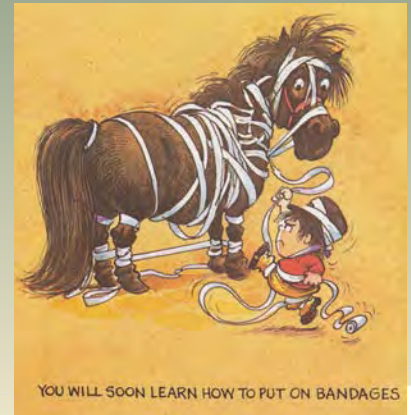

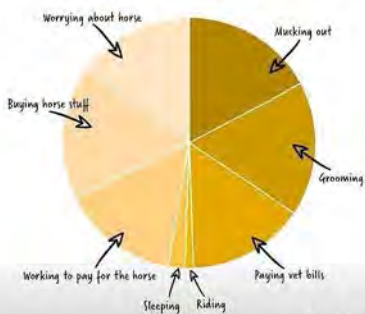

Price: \$37.95

<https://www.horsebooks.com.au/product/4784/62158/Start-out-in-Eventing-9783861279570/>

More and more riders are drawn into eventing by the excitement of galloping over solid fences on a grass track. Written by an experienced trainer, judge, and course designer, this book describes all the important requirements for safely improving your horse's ability in the cross-country phase. Training programs and instructions for coping with specific cross-country obstacles are also included.
